3. DCS Charter Mini Grant Update

Linda Bearden

- Mrs. Bearden shared that the DCS Charter Mini Grant was approved and our students will be receiving Logitech Crayons.

4. Student/Staff Recognitions

Linda Bearden

- Mrs. Bearden recognized our custodial staff and their hard work at RES. Our Top-Knotch Tiger award has moved through the custodial staff as they recognize each other for their hard work and dedication to keeping RES clean.

5. Technology Student Share

Michelle Richardson

- **Addilyn Messer: Remove BG**
-Addilyn (5th grade) shared her knowledge on Remove BG. This is an online resource that will remove the background from an image. She showed the group how to add these images to Google Slides for class presentations.
- **Wennie Kate Kirby: DreamBox**
-Wennie Kate (Kindergarten) shared on the math program DreamBox. Wennie Kate was able to show the group that DB is geared towards their level of understanding. She showed the group different ways to add to get the number 8. Wennie Kate likes the animations that make learning math fun.
- **Elizabeth Messer: EPIC**
-Elizabeth (1st grade) showed the group the app, EPIC. EPIC is an online platform that allows students to read from a variety of different books and levels. She took a story from EPIC, *The First Thanksgiving Story*, and she created a project about the events.
- **Finn Townley: Lexia Power-Up**
-Finn showed the group Lexia Power-Up, which is the step above Lexia CORE 5. This is an online adaptive reading platform that RES students use everyday. Finn shared that Power-Up allows him to challenge himself in reading skills.

- **Brooks Wooten & Luke Ledbetter: Tiger News**

-Luke and Brooks shared about Tiger News and the green screen that they use for backgrounds. They explained that Tiger News is a fun way to wake up students in the morning, share important information, and give shoutouts to students. They showed video examples of past broadcasts.
