Reaching Every Student

Learning Goals:

Robinson Elementary School's curriculum is aligned with the Common Core Georgia Performance Standards. You may find these standards on the Georgia Department of Education Website at: www.georgiastandards.org

Math: Most kids did super on their retests! We are moving to double-digit addition next week.

Reading/Writing – Way to go for those that made their AR goal! We will be moving to persuasive writing for the last nine-week period. I love the books that go along with this skill.☺ We will also be comparing and contrasting events in stories so I have some fun books for that, too.

Phonics/Grammar/spelling- Sorry for the confusion with the spelling test this week-I got ahead of myself. We will be working on -ir next week. We moved the words to next week in agendas.

Theme: We completed our Dr. Seuss informational writings. The kids knew a lot of facts that were questions for the older grades on the announcements. So smart!

Students responsible for snacks next week:

Mon.-Klayton
Tues.-Makenzie
Wed.-MiKayla
Thurs.-Alleigh
Fri.-Stormie

Class Notes:

- The kids have worked so hard for me this week! They deserve a long weekend☺
- Please find our Easter Egg Hunt info in this folder. The egg hunt will be March 25. Eggs need to be sent in by March 21 so we can get them counted.
- We are partnering with 4th grade to do a fun project! We need your help with supplies. Please check the yellow form-our class needs candy eggs or jelly beans. Thanks for helping!
- Don't forget time changes this weekend!
