

Volunteer on the 1Dawson Team

Whether your child is just starting pre-kindergarten or entering their final year of high school, there are many excellent reasons for parents to volunteer at school.

- ★ Being a school volunteer sends a powerful message to your children; it says they are important, you value their education and giving of one's time and skills is worthwhile.
- ★ Not only will the school reap the benefits of your involvement, you will too! By interacting on a regular or semi-regular basis with teachers, administrators and other parents you gain a first-hand understanding of life at school for your child.
- ★ Join a parent-teacher organization, show up at meetings and events, or simply inquire with school administrators to learn how you can help.

Volunteering will enhance your communication with your child as they grow and change. When volunteering at a school, a little goes a long way and everyone benefits!
